Players on a team alternate each shot. The alternating team breaks, either team member may break.

Teams may alternate shooting rotation after each game. Failure to stay in rotation once the game has started will result in a foul. The original rotation must be restored on their next turn. Note: it is permissible to inquire as to whose shot it is at anytime without fear of a coaching foul. Any further discussion when a team member is deemed to be "at the table" will result in a foul.

When the table is turned over to the incoming team, one of the partners must immediately approach the table.
